DISTRIBUTED CONTROL SYSTEMS & PROCESS MEASUREMENT

AVANTIS • Enterprise Asset Management **EUROTHERM** • (PAC) Programmable Automation Controllers **FOXBORO** • Distributed Control - I/A Series **FOXBORO M&I** • Pressure, Temperature, Level, Flow, and Analytical Instruments **INFUSION** • Enterprise Control Systems **SIMSCI-ESSCOR** • Advanced Applications for Simulation, Optimization, and Training **SKELTA** • (BPM) Business Process Management and Advanced Workflow Solutions **TRICONEX** • Safety and Critical Control

LEVEL • Pulse Radar, Guided Wave Radar, Ultrasonic, Capacitance, Hydrostatic, Vibration Switches for Liquids and Solids **NUCLEAR** • Continuous and Point Level, Density, Weight, API Gravity **MLI** • Magnetic Level Indicators • LED Indicating Level Transmitters • Combination MLI and Guided Wave Radar • Custom Welded Bridles

FLOW • Clamp-On Ultrasonic Transit Time Flowmeters **BTU** • Thermal Energy Meters **OIL & GAS** • **AGA** Gas & API Gravity • **ONLINE PROCESS ANALYZERS** • Refractometers, Concentration Measurement

TANK GAUGING • Float & Tape Automatic Tank Gauges • Radar Level Transmitters • Servo Gauges • **INVENTORY MANAGEMENT SYSTEMS** • Bulk Liquid Management Systems & Integration

GAS ANALYZERS • Trace & Percent Oxygen Analyzers • Combustion & Emission Measurement • Hydrogen • Hydrocarbon Analyzers

FLOW • V-Cone Differential Pressure Flow Element • Propeller Meters • SK Brand Variable Area Flow Tubes • UltraMag Magnetic Flowmeters

GAS & FLAME DETECTION • Combustible Gases • Toxic Gases • Open Path IR • Flame Detection • Alarm Systems • Calibration Accessories & Gases

FLOW • Nutating Disc Water Meters • Turbine Meters • Oscillating Piston Positive Displacement Flow Meters • MagnetoFlow Magnetic Flowmeters • Battery Operated Magnetic Flowmeters

ANNUNCIATORS • Multi-Point Alarm Panels • Single Point • Serial Input Light Panels • **SEQUENCE OF EVENT RECORDERS**

FLOW • Thermal Dispersion Mass Flow Measurement Technology • Flow Meters and Flow Switches • Inline and Insertion versions

Electric Heat Tracing • Filtration • Tank Fittings • Valves

ELECTRIC HEAT TRACING • Self Regulating, Power Limiting, MI Cable, Long Line Solutions, Tubing Bundles, Tank Heaters **CONTROLLERS** • Single and Multi Circuit Control and Monitoring Systems, Breaker Panels, Supervisory Software **SITE SERVICES** • Full Turnkey Heat Tracing Services Including Engineering, Installation, Project Management **TRAC-LOC** • Tank Insulation Systems

PIPELINE STRAINERS • Cast and Custom Fabricated Simplex and Duplex Styles • Automatic Self-Cleaning Strainers • **GAS/ LIQUID SEPARATORS** • In-Line Separators • Exhaust Heads • Drain Traps **FILTRATION** • Bag Filter Vessels & Bags • Mechanically Self-Cleaning Disc Filters • Magnetically Self-Cleaning Filters • Tubular Back Washing Filters • ReactoGard V Refinery Filters

NOWATA • Refinery Filtration Systems • ProGuard Backwashing Filter Systems • Fabricated Liquid Basket Strainers • High Flow Cartridge Filter Housings • Gas Filtration Housings for Dry and Wet Gas • Bag Filter Housings • Pressure Leaf Filters

TANK FITTINGS • Conservation Vents • Emergency Relief Vents • Blanketing Valves • Gauge Hatches • **DETONATION ARRESTERS** • **FLAME ARRESTERS**

INSTRUMENT VALVES & MANIFOLDS • Gauge Valves • Hand Valves • 2, 3 & 5 Valve Manifolds for Pressure Transmitter Isolation • Patented Teflon® Pressure Core Seal • Direct Mount Systems • **ZEUS POWER SYSTEMS PRODUCTS** • Thermo Electric Battery Chargers & Turbine-Driven Battery Chargers for instrument power • **GAS & LIQUID SAMPLERS** • Sample Bottles & Probes • *Hot-Shot™* Gas Sample Heating System

ANGLE SEAT VALVES • Stop Valves • Globe Control Valves • 3 Way Valves • Right Angle Valves • **SLIDING GATE VALVES** • Control Valves • Low Weight • Fast Response • Tight Shut Off • **SANITARY VALVES** • Control Valves • 3A • EHEDG • Aseptic • Diaphragm Valve • Pinch Valves • Sterile • Poly Tubing **POSITIONERS** • Digital • **PNEUMATIC & ELECTRIC ACTUATED**
